Member Account Number

Important Information

The member's full name and account number **must** be included to ensure proper credit to the account.

Wire transfers received without complete information may be delayed or returned.

Please verify your account number before initiating the wire transfer.

International Incoming Wire Instructions

International wire transfers must first be sent through a U.S. correspondent bank before being forwarded to Texan Sky Credit Union.

Please contact Texan Sky Credit Union for the complete international wire instructions before initiating an international transfer.

Questions?

Our team is happy to help ensure your wire is processed correctly. Contact us before sending a wire if you have any questions.

Please note: Texan Sky Credit Union does **not** charge a fee to receive incoming wire transfers. However, the sending financial institution or intermediary banks may assess fees.
