Spirit Week

On October 20, 2022, Texan Sky will join over 56,000 credit unions around the world to celebrate International Credit Union Day. The 2022 theme is "Empower your financial future." ICU Day highlights the many ways that credit unions across the world help members improve their financial health and well-being. We're celebrating with spirit week, full of fun and with a goal of calling attention to the benefits of credit unions.

This offer does not apply to term loans, credit cards, delinquent loans, loans with poor payment history, or loans that have had an extension agreement within the last six (6) months. **Forms not received at least fourteen (14) days before due date are not guaranteed to be posted.**

Board of Directors

Credit unions are financial cooperatives owned by the members that bank with them. As an account-holder at Texan Sky, you have the opportunity to cast your vote and select the volunteer board of directors that oversees the credit union's strategic initiatives including credit union policy, maintaining excellent financial condition, and reporting to the membership at the annual meeting. If you are interested in running or submitting a nomination for the upcoming board of directors election, please notify Eddie Phillips or submit the nomination through the Dumas office. All nominations are due on or before December 31, 2022.

A Thankful Story Contest

November is a time for thankfulness, and we want to encourage Texan Sky's young dreamers to reflect on what thankfulness means.

Submit an original poem or story, either real or imagined, on the subject of gratitude to be entered into the contest. Two grand prize \$50 winners will be selected, one from grades K-6 and one from grades 7-12. All entries must be submitted by November 18th.

Please attach the below entry slip to your work, and deliver to the Dumas location at 515 S. Bliss.
