Texan Sky Quarterly

The quarterly newsletter for Texan Sky Credit Union members.

Banking on Public Wi-Fi

About half of people who input sensitive data while on public Wi-Fi have their information compromised. If the Wi-Fi is not encrypted or your device is not up-to-date, your information is vulnerable, even to the point of identity theft. Airports, hotels, and restaurants are all popular places to connect to public Wi-Fi, so be aware of risks.

Risks to review and familiarize yourself with:

- Malware Distribution
- Wi-Fi sniffing/snooping
- Man-in-the-middle Attacks

Christmas in July

Join us as we raise money for Angel Tree and CASA 69 children throughout the month of July!

Congratulations

Texan Sky board members and management voted to pay bonus dividends and use excess earnings to give money back to our members. Our bonus dividend payout is a reflection of activity from both loan holders and depositors totaling \$500,000. The more you use Texan Sky, the higher your dividend can be. Congratulations members!

C U at

At Texan Sky, we've made it our mission and responsibility to support the community. 'C U at' is a partnership with local businesses to build our community, where members get the benefits! Visit Texansky.com/About-Us/C-U-at to learn more. Where would you like to 'C Us At'? Tell us on Facebook!
