## Traveling

Let us know when you'll be away, so we can add a notice to your account that prevents our system flagging your spending as "abnormal", and disrupting your card activity. Call us beforehand and enjoy seamless card usage when traveling.

If your card gets lost or stolen, use your Texan Sky app to freeze your card instantly!

## ITM Tips

- If you touch the screen and do not insert a debit or ATM card, a live teller will assist you.
- Cash and/or checks must be inserted separately.
- Do not insert loan coupons, deposit slips or currency straps. The machines read checks and paper currency only.
- Endorse the back of the negotiable items you are cashing or depositing. If the check needs an authorization code to be processed, it must be presented in the lobby to a teller. (i.e., income tax refund checks)
- Cash deposits can be made after hours for immediate credit by inserting your debit or ATM card. Checks are not accepted during non-business hours.
