Dormant Accounts

A dormant account is an account with no activity or contact for 12 months. After 3 years of no activity, these are considered abandoned. Such accounts must be submitted to the Texas State Comptroller annually by law. We offer many ways to help put your savings to work for you, so don't let your savings fall asleep!

Traveling

Let us know when you'll be away, so we can add a notice to your account that prevents our system flagging your spending as "abnormal", and disrupting your card activity. Call us beforehand and enjoy seamless card usage when traveling.
